

THE BAYS COMMUNITY GROUP INCORPORATED

Welcome to The Bays!

The Bays Community Group consists of Woy Woy Bay, Phegans Bay and Horsfield Bay.

We are surrounded by the Brisbane Water National Park and its waterways. Our residents are greeted each morning by a cacophony of bird song and spectacular sunrises. This special place on the Central Coast, where freshwater joins the sea, is where we call home. We hope that you will share our delight in living here.

The Bays Community Group Inc. is your local Community Group. We hold functions, events and community meetings to enhance your life in The Bays. We are also involved in taking up issues that affect The Bays residents with the Central Coast Council and the State and Federal Governments.

One very popular event is the **Monthly Breakfast** which is held on the last Sunday of every month (except December) 8.00am - 10.00am at the Community Hall when we serve bacon and egg rolls and hash browns. Coastal Break Café bring along their mobile coffee van to provide great coffee and hot drinks. We often have a market stall or two as well. If the weather is good then you can take your roll and coffee out to the back garden to enjoy the stunning views while you enjoy a chat with fellow residents.

Our other popular annual events are **The Bays Fair** (March) and **The Bays Art Show** (July). We offer other events throughout the year and the hall is also available for hire.

The best way to keep in touch and to find out about all our events is by signing up to our monthly Bulletin. Go to www.thebayscommunity.org to sign up. There is a wealth of other useful information on the website so take a look. You will also find out how to become a member of The Bays Community Group – just \$20 covers the whole household for the year January to December.
